

**School Sisters of
Notre Dame
Educational Center
87-04 88th Avenue
Woodhaven, NY**

Want to Learn English?

The School Sisters of Notre Dame Educational Center offers classes to women to improve their command of English.

- Classes are offered on six levels: Introductory Level to Level 5 (Advanced Conversation).
- Classes are taught on different days between Monday and Thursday. Classes are between 9:00 a.m. and 3:00 p.m. The time of each class depends on the level.
- Classes will continue until June 2026.
- Women must be 21 years old or older to attend these classes.
- Women must take a placement test to determine which class they will attend.
- There is a \$40 fee to register. There is no cost for classes or books.
- Students who take the placement test can register soon after the test and will begin classes the following week

Right now, the classes are full.

We will have another placement test and registration in January.

Come to the Center by mid-November and we will give you the date of the next test.
